

Round Rock ISD 1st Grade High-Frequency Word List

By the end of the school year, each First Grade student will read, identify, & write a minimum of 100 high- frequency words from the RRISD word list. Note: Showing mastery of writing high-frequency words should come from evidence in student writing - not a spelling test in the form of an isolated list. Although the typical First Grade student is expected to gain far more than 100 high-frequency words, this is the number set forth by the Texas Essential Knowledge and Skills.
